

IS YOUR BOAT READY FOR STORAGE?

Optimize and streamline your boat storage routine with our comprehensive checklist to ensure a seamless boating experience every time!

- Battery Off
- Keys Secured
- Lights Checked
- Fishing Poles Lowered
- Fish Box Emptied
- Bait Well Cleared
- Trim Tabs Raised
- Anchor Light Folded In
- Antennas Lowered

By following each of these steps, you can be confident that your boat is properly stored and ready for your next adventure on the water. Happy boating!
